The drawings of November 20, 2003 have not been entered because they contain an additional Figure 4 that was not filed with the original drawings of August 8, 2003. It is clear that only three figures were intended to be filed on August 8, 2003 because the drawings are marked 1 of 3, 2 of 3, and 3 of 3 and a Figure 4 was not described in the specification.
